OLD BUSINESS: Hosting sign up sheet was sent around and filled up.

Mike asked about fund raising. Pat reminded us that we talked about a yard sale. Other ideas? Jan will send out the list of past ideas to look at and talk about at next meeting.

There are some ½ sheets of metal roofing. Low roof area should be done this spring/summer. Back door has a big hole. Should be replaced. Check prices at Frank Door & Lumber in Marysville and a door place in south Seattle.

Any volunteers to rebuild bell tower? Linda and Cecil are donating a bell they brought back from California.

Plan an outside work party for this spring/summer. Dawn suggested we section off areas outside to spruce up. People could sign up and care for a section.

School clock has been stored at various homes over the years to keep it out of the damp air, most recently at Simpson's. Should we keep or sell? Simpson's are interested in having it and had the clock appraised – value \$125.00. Dick made a motion to sell the clock to Simpson's for appraised value. Pat seconded. Motion passed. Sheila will write a note to the Simpson's.

Annual fire marshal visit took place. We will be billed. There was discussion about billing. Lowell will contact fire marshal about having fee waived.

NEW BUSINESS: No new business.
